

Hair Help

So many persons have hair that is stubborn and dull. It won't grow. What's the reason? Hair needs help just as anything else does at times. The roots require feeding. When hair stops growing it loses its luster. It looks dead.

AYER'S HAIR VIGOR

acts almost instantly on such hair. It awakens new life in the hair bulbs. The effect is astonishing. Your hair grows, becomes thicker, and all dandruff is removed.

And the original color of early life is restored to faded or gray hair. This is always the case.

\$1.00 a bottle. All druggists.

"I have used Ayer's Hair Vigor, and am really astonished at the good it has done in keeping my hair from coming out. It is the best tonic I have tried, and I shall continue to recommend it to my friends."

MATTIE HOLT, Burlington, N. C.

Sept. 24, 1898.

If you do not obtain all the benefits you expect from the use of the Hair Vigor, write the Doctor about it. Address, Dr. J. C. Ayer, Lowell, Mass.

MARVEL OF BEAUTY

Erected of Bowling Green Stone and Tennessee Marble.

The first train was run out of the handsome new union passenger station in Nashville Monday night, when the regular Louisville & Nashville passenger train for Louisville and Cincinnati left that city. The new depot is a marvel of beauty, erected of Bowling Green stone and Tennessee marble at a cost of over \$500,000. Surrounding the depot the Louisville & Nashville, Chattanooga & St. Louis Railroad Companies have expended fully \$2,000,000 in perfecting their new Nashville facilities.

At the south wall, just over the big fancy clock, are two figures in bas-relief, representing Miss Alice Castleman, of Louisville, Ky., and Miss Alice Lewis, daughter of Major E. C. Lewis, of Nashville. Both of them are excellent likenesses and make handsome figures. They stand facing each other, holding their arms outstretched in token of good will and friendship.

SOME PRIVATE SALES.

But Very Little Tobacco Changed Hands This Week.

The sales of the weed this week amounted to very little and that disposed of was made up of the lower grades of leaf and lugs. Prices are about the same as those quoted last week. Until the new crop commences to move there will be little doing on the local tobacco market. About all of the old crop has been sold and shipped. Receipts are very light now and there will not be an improvement for two months or more.

OUT ON BOND.

Latter May Go Over Until Grand Jury Meets.

Albert Grace, who shot Robt. Latham, near Pilot Rock, came into the city and surrendered to the authorities Monday afternoon. He furnished bond in the sum of \$100 and was released. The matter will likely go over to the grand jury which meets in this city the last week in this month.

Little Rock, Ark., Sept. 4.—Returns have been received from forty of the seventy-five counties of the State and they give Jeff Davis, the Democratic candidate for Governor, 30,000 majority over Reinel, Republican. The Republican leaders concede Davis' majority to be 40,000. Thus far Remmel has not carried a single county, but two are believed to be reasonably safe for him. Democratic leaders to-night estimate Davis' majority at 50,000.

SCOTT'S EMULSION

OF COD-LIVER OIL WITH HYPOPHOSPHITES

should always be kept in the house for the following reasons:

FIRST—Because, if any member of the family has a hard cold, it will cure it.

SECOND—Because, if the children are delicate and sickly, it will make them strong and well.

THIRD—Because, if the father or mother is losing flesh and becoming thin and emaciated, it will build them up and give them flesh and strength.

FOURTH—Because it is the standard remedy in all throat and lung affections.

No household should be without it. It can be taken in summer as well as in winter.

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

FIRED FIVE SHOTS

At Would-be-Burglar—No Clue to Identify.

An attempt was made last Saturday night to burglarize the store of B. J. Wall at Gracey. The thief made an effort to raise a window on the north side of the house, but the noise aroused one of the clerks, Mr. Herbert Amoss, who was sleeping in the second story. The latter saw the would-be-burglar standing at the window and commenced to shoot, firing five shots as the thief disappeared in the dark.

At Popular Prices.

Wiedman's Big Show, an attraction too well known here to need praise, opens a week's engagement at Holland's Opera House on Monday, Sept. 10th presenting as an opening bill the 4 act Sensational comedy, "About Town." Manager Wiedman is carrying this season the greatest attraction in the south at Popular Prices—25 people and a magnificent band and orchestra. The company opened their season at Paris, Ky., and have been packing the houses all over the state in spite of the extremely hot weather. The specialty people are the best secured from the Hopkins Circuit which is a sufficient guarantee of excellence. Prof. McDonald and his Solo Orchestra is an additional feature that will please lovers of high class music. Ladies will be admitted free on Monday night when accompanied by an escort. (Lady or Gentleman) holding one 30 cent ticket purchased before 7 o'clock Monday night. The sale of seats opens on Friday morning.

CROP IS RIPE

And Farmers Out In Full Force Housing Weed.

In some sections of the county considerable destruction by the tobacco worms is reported, but the farmers are out in full force with all the extra help they can secure and the weed is being cut with a vengeance. The most of the crop is ripe and in North Christian seventy-five per cent. of it has been put in the barn. In South Christian possibly not more than sixty per cent. of the weed has been cut.

The plants were set very early last spring and this fact coupled with the very hot and dry weather throughout August had the effect of ripening the crop about two weeks earlier than usual.

While the acreage was rather larger than usual the crop will not prove an extra good one, as little of it will get the benefit of the fall dews, so necessary to thicken the leaves.

Unless there should be frost within the next week or ten days all of the tobacco will be saved in good condition.

The process of "firing" the weed has commenced in earnest and will continue until the crop has been cured and ready for stripping.

Realty Deal.

Mr. Thos. S. Torian this week purchased the house and lot on the corner of Fourteenth and Campbell streets, known as the Coleman place and took possession Wednesday. The price paid was \$1,075 cash.

SPECIAL COMMITTEE.

Will Pass On All Election Bills In The House.

Judge Cantrill's Son The Chairman, One of The Ablest Men in The Legislature.

Frankfort, Sept. 3.—The legislature got down to work yesterday again, for the first time since the junket at the Shelbyville fair last Friday. Five new bills were introduced, four in the house and one in the senate. There was nothing novel in the house bills. Senator Dyer had the only bill in the senate. It provides for the absolute repeal of the Goebel law.

Speaker Trimble today appointed the committee to take charge of all bills introduced in the house. Campbell Cantrill, of Scott county, is chairman. The members are Henry, of Kenton; Orr, of Owen; Brown, of Nelson; Cochran, of Spencer; Kelday, of Louisville; Bosley, of Washington; Holland, of Henry; McRoberts, of Lincoln; Hickman, of McLean; Terrell, of Frimble, and Finn, of Simpson.

Six members of this committee are straight Democrats, two uncertain Democrats and two Republicans. Most of the Democrats are opposed to any change in the law except in the direction of a party measure.

The Senate Democrats and Republicans to night came to an agreement on the special committee to consider all election bills. It seemed that there would be a hitch as to this matter after to-day's wrangle, which resulted in a wide difference. But after the session Senators Carter and Barret had a conference, resulting in a proposition by the Republicans to the Senate Committee on Rules. Senator Barret, for the Republicans, proposed that they be allowed to name five members and the Democrats name six members of a special Committee on Elections. This proposition was accepted and to-night the Republicans sent to the Democrats the following names: Harrel and Alexander, Democrats; Cox and Kirk, Republicans and McConnell, Populist. The Democrats named: Ferguson, chairman; Utley, Coleman, Crenshaw, Thomas and Tolin.

It was thought the Republicans would name five members of their own party.

MUCH ENTHUSED

Are Elks Over Prospects of Successful Fair.

The Hopkinsville Elks are enthusiastic over the prospects of the Fair and Carnival. All arrangements are rapidly being completed and a splendid success is assured. It is confidently predicted that from twenty-five to thirty thousand visitors will attend the great event.

Messrs. W. A. Wilgus and James A. Radford have gone to Chicago and other large cities to contract for a number of new free attractions and "midway" shows.

Much interest is being manifested in the parades that will take place during the meeting. On the first days the Elks of Western Kentucky will march. They will wear uniforms consisting of white military coats and caps, trimmed in purple and black trousers, and carrying white and purple umbrellas. On Thursday a floral pageant, the first ever witnessed in this region, will move through the streets. Many beautifully decorated traps of prominent society people will be in line. On Saturday there will be an industrial procession and if all the business men are represented who are talking of having displays, this parade will be miles in length.

A special feature of the Fair and Carnival will be a magnificent fireworks exhibition on Carnival night. A ball will be given by the Elks on one evening of the fair.

Colored Association.

The colored Baptist Association embracing West Union church met at Gracey last week and there was a tremendous outpouring of colored people for the three days it was in session. The meeting closed Sunday.

TURNED LOOSE.

John Wilson Waives Examination And Gives Bond.

Only \$1,500 Required And Wilson Returns to His Home.

John Wilson, constable in the Fruit Hill district, was admitted to bail Sept. 4. He slew Alex Wright, an unarmed and inoffensive participant in a brandance at White Plains Aug. 11, and had been in jail since about Aug. 15.

It was at first claimed that Wilson was insane, but this plea was not made and he waived examination and Judge Cantrill fixed his bond at \$1,500. He has engaged counsel and it is now understood that he will put up the usual plea of self defense.

Wilson was—and so far as we are advised is still—constable in his district and is a Republican leader, while Wright was a Democrat. He has influential Democratic connections, however, and these are standing by him. Esq. Geo. H. Myers took care of him as a boy and Esq. W. T. Davis is his father-in-law.

Shaved Off His Ear.

Clarksville, Tenn., Sept. 4.—Last evening at Steele's Station, a very peculiar accident occurred to a 5-year-old boy named Hicks, son of a railroad man living in the section house at that point. The boy was playing with an older boy named Bagget, also the son of a railroad man, who was handling an old shotgun. Suddenly the weapon was discharged, the load of squirrel shot passing so close to the Hicks boy's head that it cut off his left ear as smoothly as if a razor had done it, leaving not so much as a scratch upon him otherwise.

Hailed From Kentucky.

The Nashville American says a runaway couple from Kentucky were married here Tuesday. Justice George W. Morgan, a member of the grand jury, performed the ceremony shortly before noon.

The young man's name was W. P. Slattery and he gave in his bride's name as V. Cook. He would not tell what the "V." stood for, neither would he tell from what part of Kentucky he hailed.

A Question of Colors.

The Brownies of Green county have deserted the black Republicans. If all of this light set will thus atone for their yellow conduct and help the white men rid the Blue Grass State of the dark reputation given it by the red handed assassins, who will soon be in striped suits, they will be forgiven for their shady act of desertion and arrayed in garments of many colors.

Papa Is Seventy.

Catlettsburg, Ky., September 3.—Last night there was born to Mr. and Mrs. E. Noble a ten-pound son. The father is now in his seventieth year, while the good mother has passed the sixtieth milestone.

Grover Cleveland in reply to a letter asking advice, refuses to advise voters how to vote, saying that a crisis has arisen and that he is himself "by no means free from the perplexity which now afflicts thousands of those who love the principles of true Democracy."

Secretary Hay, who is in bad health at Lake Quampee, W. H., has suffered a serious relapse and his condition is causing his friends great apprehension. His son Adelbert has been cabled to come home from Pretoria, South Africa.

Circuit Court begins in Frankfort next week and the trial of Jim Howard will be taken up, though the Republican lawyers are expected to resort to their old tactics of delay.

Hon. B. A. Enloe was defeated for the Congressional nomination by Congressman Sims, in the Eighth Tennessee District, by 913 votes.

It will be observed that the name of nominee Odell rhymes with what Croker says he is going to give the Republicans in New York this year.

An Invitation to Women

All the world knows of the wonderful cures which have been made by Lydia E. Pinkham's Vegetable Compound, yet some women do not realize that all that is claimed for it is absolutely true.

If all suffering women could be made to believe that Mrs. Pinkham can do all she says she can, their suffering would be at an end, for they would at once profit by her advice and be cured.

There is no more puzzling thing than that women will suffer great pain month after month when every woman knows of some woman whom Mrs. Pinkham has helped, as the letters from grateful women are constantly being published at their own request.

The same derangements which make painful or irregular periods with dull backaches and headaches, and dragging-down sensations, presently develop into those serious inflammations of the feminine organs which completely wreck health.

Mrs. Pinkham invites women to write freely and confidentially to her about their health and get the benefit of her great experience with the sufferings of women. No living person can advise you so well. No remedy in the world has the magnificent record of Lydia E. Pinkham's Vegetable Compound for absolute cures of female ills. Mrs. Pinkham's address is Lynn, Mass.

Three Letters from One Woman, Showing how She Sought Mrs. Pinkham's Aid, and was cured of Suppression of the Menstrues and Inflammation of the Ovaries.

"DEAR MRS. PINKHAM—I have been in bed a year. Doctors say I have female weakness. I have a bad discharge and much soreness across my ovaries, bearing-down pains and have not menstruated for a year. Doctors say the menses will never appear again. Hope to hear from you."—Mrs. J. F. BROWN, Holton, Kans., April 1, 1898.

"DEAR MRS. PINKHAM—I received your letter. I have taken one bottle and a half of your Vegetable Compound, and used two packages of your Wash, and feel stronger and better. I can walk a few steps, but could not before taking your Compound. I still have the discharge and am sore across the ovaries, but not so bad. Every one thinks I look better since taking your Vegetable Compound."—Mrs. J. F. BROWN, Holton, Kans., Aug. 13, 1898.

"DEAR MRS. PINKHAM—I think it is my duty to let you know the good that Lydia E. Pinkham's Compound has done for me. After I took three bottles, the menses appeared, and I began to feel stronger and all my pain was gone. Yours is the only medicine that ever helped me. I am able now to work around the house, something I did not expect to do again."—Mrs. J. F. BROWN, Holton, Kans., Jan. 25, 1899.

Three More Letters from One Woman, Relating how She was Cured of Irregular Menstruation, Leucorrhoea and Backache.

"DEAR MRS. PINKHAM—I am suffering and need your aid. I have pains in both sides of the womb and a dragging sensation in the groin. Menstruation irregular and painful; have leucorrhoea, bearing-down pains, soreness and swelling of the abdomen, headache, backache, nervousness, and can neither eat nor sleep."—Mrs. CARRIE PHILLIPS, Anna, Ill., July 19, 1897.

"DEAR MRS. PINKHAM—I want to thank you for what you have done for me. When I wrote to you I was a total wreck. Since taking your Vegetable Compound, Liver Pills and Sensitive Wash, my nerves are stronger and more steady than ever before, and my backache and those terrible pains are gone. Before I took your medicine I weighed less than one hundred and thirty pounds. I now weigh one hundred and fifty-five pounds. Your medicine is a godsend to poor weak women. I would like to ask you why I cannot have a child. I have been married nearly three years."—Mrs. CARRIE PHILLIPS, Anna, Ill., Dec. 1, 1897.

"DEAR MRS. PINKHAM—I did just as you advised me, and now I am the happy mother of a fine baby girl. I believe I never would have had her without your Vegetable Compound."—Mrs. CARRIE PHILLIPS, Anna, Ill., Jan. 27, 1899.

Proof that Falling of the Womb is Overcome by Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM—When I wrote to you some time ago, I had been suffering from falling of the womb for many years without obtaining relief. Was obliged to wear a bandage all the time; also had had headache and backache, felt tired and worn out. After taking six bottles of Lydia E. Pinkham's Vegetable Compound and four boxes of Liver Pills, I discarded my bandage and have not had to wear it since. I am entirely cured."—Mrs. J. P. TROUTMAN, Box 44, Hamilton, Ohio.

"DEAR MRS. PINKHAM—For nearly two years I was unable to work. I was very weak and could not stand on my feet but a few minutes at a time. The doctors said I had falling and inflammation of the womb. I began to use Lydia E. Pinkham's Vegetable Compound, and after using five bottles I feel like a new woman."—Mrs. P. N. BLAKE, Confluence, W. Va.

Mr. C. W. Bean and family, of Houston, Texas, arrived last night on a visit to the family of Esq. Alex Campbell, on North Main. Mr. Bean is Traffic manager of the Southern Pacific railroad company.
